Petra Ute Trimmel’s art allows the viewer to have a sense of wonder and curiosity, to add to their experience of space. Her artful blends of colors create stunning compositions. Full of modern appeal Petra’s art can be found in hotels, workplace, healthcare settings and lovely homes throughout North America.

Petra Ute Trimmel combines photography and graphic art to make stunning abstract wall-art designs and fantasy landscapes. Petra’s designs span the color spectrum, some very colorful, some muted to provide a selection that will fit your interior design needs. Petra loves to experiment with a variety of looks. Shaped by her expertise in graphic art, photography and product development, Petra’s art is geared to visually enhance your space.
